## ALPINE easyACCESS

Alpine Easy Access at Mount Hotham offers guests a faster resort entry process. You can pre-purchase your resort entry online before your departure to Mount Hotham and then travel through to the village without having to queue, permits cannot be purchased at the resort entry points. To purchase your season and multi day permits before you leave or to extend your multi day permits during your stay visit [www.alpineeasyaccess.com.au](http://www.alpineeasyaccess.com.au)

**DRIVING TIPS FOR ALPINE AREAS**  
Remember when driving to the mountains...make sure you have **anti-freeze in the radiator and chains must be carried at all times by law. Diamond pattern chains are now mandatory for all vehicles entering the Mount Hotham Alpine Resort. Ladder chains, spider chains and snow socks are not permitted to be used at any time.** If you drive a diesel, Alpine Mix is essential for winter.

**SKI PATROL & SNOW SAFETY**  
The ski slopes are patrolled daily by the Ski Patrol who are competent skiers trained in First Aid. They can be recognised in a red and black jacket with a White Cross on the back. It is most important to be fully prepared for skiing. The publication 'Snowsafe' contains a wide range of information on ski safety and can be obtained from the Resort Management Office.

**FREE ON MOUNTAIN TRANSPORT**  
The village bus service operates daily from 6:45am until late. Buses operate between Wire Plain Cross Country Shelter and the Corral Car Park opposite Hotham Central. Transport users are reminded to use the clearly marked bus stops designated throughout the Village.

**CAR PARKING**  
Visitors to the resort are asked to observe parking directives and signs. Resort Operations Area and No Standing Anytime zones are marked for safety and operational reasons. If you ignore these signs and park in these areas, you will incur a parking infringement as you would in any other town or city.

**DAY PARKING**  
If you are coming to the resort for the day you will be required to park in a designated day parking area as located on the Village Map. If these areas are full, Resort Management Staff will direct you to an appropriate parking location.

**OVERNIGHT PARKING**  
If you are staying overnight or for a number of nights in the resort please park in the overnight parking areas indicated in LIGHT BLUE on the Village Map. If you arrive late, proceed to the overnight parking area advising the Night Bus Driver first that you will require transport back to your accommodation.
